

ORDER FORM FOR NZCCPTS PUBLICATIONS

Mail: Allan Neilson
The Secretary
NZCCPTS

Email: secretary@nzccpts.co.nz

Queries: Allan Neilson
Ph: 0-4-479 3798
Mob: 027-443 3055

Please supply the following publications

NZCCPTS Guide	Number of Copies	Cost (excl. GST)		Total Cost
		Members (Note 1)	Non Members	
Neutral Earthing Resistors or Reactors Application Guide (including resonant reactance earthing) for the control of earth fault currents in power systems operating at 33kV or less (Issue 3 - 2010)		\$30.00	\$60.00	
SWER HV Power Lines Application Guide for the control of interference to telecommunication circuits (1999)		\$30.00	\$60.00	
Cable-Sheath Bonding Application Guide for the control of EPR and for the limitation of hazardous induction into telecommunication circuits (1999) [Supplied with companion paper on how to calculate EPR in cable sheath bonding situations.]		\$40.00	\$80.00	
Noise Investigation Guide for investigating and mitigating Power System - Telecommunication System noise interference (1999)		\$30.00	\$60.00	
Cost Apportioning Guide - Cost Apportioning Principles for the Mitigation of Hazards and/or Interference Between Power and Telecommunication Networks (2002) (Note 2)		\$10.00	\$20.00	
Cable Separations Guide - Minimum Separations between buried Power and Telecommunication Cables (2003) (Note 2)		\$10.00	\$20.00	
Power Coordination Overview Guide – Guide for Addressing Adverse Interactions between Power and Telecommunications Systems (2014)		\$30.00	\$60.00	
Plus GST				
TOTAL				

Notes

1. Current members of NZCCPTS include Transpower NZ Ltd, Chorus NZ Ltd, KiwiRail, Energy Safety (WorkSafe NZ) and the Electricity Engineers' Association of NZ (Inc.). Individual Members and Corporate Sponsors of the EEA pay NZCCPTS Members rates for NZCCPTS publications.
2. All NZCCPTS Guides are also available as PDF files that can be freely downloaded from www.nzccpts.co.nz.
